Get the right care at the right time

Anthem takes care of most of your BadgerCare Plus and Medicaid Supplemental Security Income (SSI) health care benefits. We make it easy for you and your family to get the care you need.

You can use this directory to help you find providers that offer covered services, such as:

- Preventive and routine care.
- Specialist services.
- Urgent care.
- Mental health and substance use disorder services.
- Hospitalization.
- Dental care.*
- Vision care.

*DentalQuest offers dental services for members living in Kenosha, Milwaukee, Ozaukee, Racine, Washington, and Waukesha counties. In these counties, you must go to an in-network dentist. If you live outside these counties, you may get dental services from any dentist who will take your ForwardHealth ID card. Call ForwardHealth Member Services at **800-362-3002** for questions about your dental benefits in these counties or to find a dentist.

For more information on your benefits, services and programs as an Anthem member, please see the member handbook. You can find a copy online at **www.anthem.com/wisconsin** or call Member Services at **855-690-7800 (TTY 711)** to request an extra hard copy.

Don’t forget your ID cards!

It’s important to bring all of your health insurance cards with you to your provider appointments. This includes your ForwardHealth ID card, your Anthem member ID card, and any cards from other service providers you may have.

Choosing a primary care provider

As a new member, you will be assigned to a primary care provider (PCP). Your PCP is your health advocate. Your PCP will:

- Get to know you and your health history.
- Try to find and treat minor health issues before they become more serious.
- See you for well-visits once a year and nonemergent health concerns as needed.
- Recommend a specialist for any special health needs you may have.

You can call Anthem anytime and tell us who you want as your PCP. Anthem will assign you to a PCP near you if you do not let us know who you want. The name and phone number of your assigned PCP will be on your Anthem member ID card. We want you to be happy with your PCP, so you can call Member Services if you’d like to change your PCP.

WIBCBS-PD-056054-24-SRS55920

If you're a Medicaid SSI member and your current provider isn't in the Anthem network, we will still pay him or her for up to 60 days after you enroll. This is known as continuity of care. If you haven't chosen an in-network provider for yourself after 60 days, you will be reassigned to one.

OB/GYN services

You have the right to see an Anthem OB/GYN without a referral from your PCP for services. To find an OB/GYN in this directory, go to the *Specialist* section and look for providers listed under *Obstetrics/Gynecology* for your county or a county near you.

HealthCheck program

HealthCheck is a full program of checkups and health care services for babies, children, teens, and young adults with Anthem. These services make sure babies, children, teens, and young adults get the health care they need. Good health starts at birth. We encourage you to have your children screened. This includes dental checkups, starting at age 1.

Anthem plan providers do HealthCheck screenings by the standards of the American Academy of Pediatrics, including:

- In-depth health (physical and mental) and developmental history.
- Thorough, unclothed physical exam.
- Vision screening.
- Hearing screening.
- Lab tests.
- Immunizations (shots).
- Developmental screening (as needed).
- Behavioral screening (as needed).
- Health education/preventive guidance.

To find a PCP for your child in this directory, go to the Primary Care Providers section and look for providers listed under *Family Practice, General Practice, or Pediatrics* for your county or a county near you. You can also use our Find a Doctor tool at **www.anthem.com/wisconsin** or call Member Services.

Urgent care centers

Where to get health care fast in Wisconsin

How to use this directory
This book lists urgent care centers and walk-in clinics that are part of the BadgerCare Plus and Medicaid SSI network. Use it to choose the nearest urgent care center or walk-in clinic when you need care sooner than a routine doctor visit. You may find statewide and up-to-date information on urgent care centers in our network using our Find a Doctor tool at **www.anthem.com/wisconsin**. Or call Member Services at **855-690-7800 (TTY 711)** for help finding a location.

To locate an Anthem urgent care center by using this directory, you'll need to:

- Turn to the page(s) that match(es) your city or county or one near you; then, select an urgent care center or walk-in clinic in your section of the directory.
- Check the index section located in the back of the book if you are searching for a specific urgent care center or walk-in clinic.

Where to get health care fast
Sometimes, you need health care when you cannot be seen by your primary care provider (PCP). You still have choices for getting good care.

In a true emergency, when you feel you could put your health at real risk by waiting for care, call 911 or go to the nearest emergency room.

When you need care but aren't in danger, you have other good options:

1. Call your primary care provider (PCP).
   Ask if you can get in right away.
2. Go to an urgent care center, like the ones in this directory.
3. Call the 24/7 NurseLine and talk with a registered nurse.

Your visit to an urgent care center can take less time than the emergency room.

Deciding where to go — urgent care center or emergency room?

24/7 NurseLine
If you are unsure where to go for care, call our 24/7 NurseLine anytime, day or night, at **855-690-7800 (TTY 711)**. A registered nurse will help you decide which type of care makes the most sense. Plus, he or she can help you treat yourself at home, if it's not urgent.

Urgent care center

Visit an urgent care center to get care fast for nonemergency health issues and when you can't see your PCP. They have doctors who often can do X-rays, lab tests, and stitches.

Examples of non-emergencies:

- Minor allergic reactions
- Mild asthma
- Coughs and sore throat
- Bumps, cuts, and scrapes
- Rashes and minor burns
- Sprains and strains
- Minor fevers and colds
- Minor headaches
- Ear or sinus pain
- Burning with urination
- Eye swelling, irritation, redness, or pain
- Nausea, vomiting, or diarrhea
- Animal bites
- X-rays
- Stitches

Before you go: Call the urgent care center and ask:

- What are your hours?
- Do you give the care I need?

Emergency room

Go to the emergency room right away for:

- Abdominal pain
- Headache causing nausea or blurred vision
- Any life-threatening or disabling condition
- Sudden or unexplained loss of consciousness
- Chest pain
- Numbness in the face, leg, or arm
- Difficulty speaking
- Severe shortness of breath
- High fever with stiff neck, mental confusion, or difficulty breathing
- Coughing up or vomiting blood
- Cut or wound that won't stop bleeding
- Major injuries
- Possible broken bones

If you need urgent care, go to an Anthem provider for help if you can. But, if it is an emergency, call 911 or go to the nearest hospital or clinic.

Si no vive en estos condados, puede recibir servicios de cualquier dentista que acepte su tarjeta de identificación de ForwardHealth. Si tiene preguntas sobre sus beneficios dentales en estos condados o si desea encontrar un dentista, llame a Servicios al Miembro de ForwardHealth al **800-362-3002.**

Elegir un proveedor de cuidado primario

Como nuevo miembro, se le asigna un **proveedor de cuidado primario (PCP)**. Su PCP es el defensor de su salud. Su PCP hará lo siguiente:

- Lo conocerá y estará al tanto de su historia clínica
- Intentará detectar y tratar cualquier problema de salud menor antes de que se convierta en algo más grave
- Lo verá durante sus consultas de bienestar una vez al año y cuando usted tenga cualquier

problema de salud que no sea una emergencia, según sea necesario
- Le recomendará un especialista para cualquier necesidad de salud que pueda tener

Puede comunicarse con Anthem en cualquier momento e informarnos a quién desea elegir como su PCP. Si no nos informa a quién desea elegir como PCP, Anthem le asignará uno cerca de su domicilio. El nombre y el número de teléfono del PCP que se le haya asignado aparecerá en su tarjeta de identificación de miembro de Anthem. Queremos que se sienta a gusto con su PCP; si desea cambiar de PCP, puede llamar a Servicios al Miembro.

Si es miembro de Medicaid SSI y su proveedor actual no se encuentra en la red de Anthem, continuaremos pagándole a su proveedor por un máximo de 60 días después de que se inscriba. Esto se conoce como continuidad del cuidado. Si no ha elegido un proveedor dentro de la red por su cuenta tras el plazo de 60 días, se le reasignará uno.

En este documento se incluyen centros de cuidado de urgencia y clínicas sin cita previa que forman parte de la red de BadgerCare Plus y Medicaid SSI de Anthem. O bien, llame a Servicios al Miembro al **855-690-7800 (TTY 711)** si necesita ayuda para encontrar un centro.

- Vaya a la página o las páginas que correspondan a su ciudad o condado, o a alguno cercano; luego, seleccione un centro de cuidado de urgencia, o una clínica sin cita previa en su sección del directorio.
- Consulte la sección del índice que está en la parte posterior del Directorio si está buscando un centro de cuidado urgente o una clínica sin cita previa determinados.

Dónde obtener cuidado de la salud rápidamente
A veces, necesita cuidado de la salud en momentos en que su proveedor de cuidado primario (PCP) no lo puede atender. Hay otras opciones mediante las cuales puede obtener un buen cuidado.

En el caso de una verdadera emergencia, cuando considere que su salud podría estar realmente en riesgo si espera para recibir cuidados, llame al 911 o diríjase a la sala de emergencias más cercana.

En los casos en los que necesita cuidado pero no se encuentra en peligro, tiene otras opciones adecuadas:

1. Llame a su proveedor de cuidado primario (PCP). Pregunte si puede ir al consultorio de inmediato.
2. Acuda a un centro de cuidados de urgencia, como los que se presentan en este directorio.
3. Llame a la 24/7 NurseLine (Línea de enfermería 24/7) y hable con un enfermero registrado.

Acudir a un centro de cuidado de urgencia puede llevar menos tiempo que ir a la sala de emergencias.

Cómo decidir si acudir a un centro de cuidado de urgencia o a una sala de emergencias

24/7 NurseLine

Si no sabe a dónde dirigirse para recibir cuidados, llame a nuestra 24/7 NurseLine en cualquier momento, sea de día o de noche, al **855-690-7800 (TTY 711)**. Un enfermero registrado le ayudará a decidir qué tipo de cuidado le conviene en su situación. Además, podrá ayudarlo a brindarse tratamiento por su cuenta, en su hogar, si el problema no es urgente.

Centro de cuidado de urgencia

Visite un centro de cuidado de urgencia para obtener cuidados rápidamente para problemas de salud que no constituyan emergencias y cuando no pueda ver a su PCP. En estos lugares generalmente hay doctores que pueden tomar radiografías, hacer análisis y hacer suturas.

- Tos y dolor de garganta
- Golpes, cortes y rasguños
- Erupciones y quemaduras leves

- Dolor de oídos o sinusal
- Ardor al orinar
- Hinchazón, irritación, enrojecimiento o dolor en los ojos
- Náuseas, vómitos o diarrea
- Mordeduras de animales
- Radiografías
- Suturas

Antes de ir: Llame al centro de cuidado de urgencia y pregunte lo siguiente:

- ¿Cuál es el horario de atención?
- ¿Brindan la atención que necesito?

Sala de emergencias

Acuda a la sala de emergencias de inmediato si tiene lo siguiente:

- Dolor abdominal
