# 1. Welcome to Anthem!

Thank you for joining Anthem Blue Cross. Anthem Blue Cross is a health plan for people who have Medi-Cal. You can call us “Anthem”. Anthem is offered through L.A. Care. L.A. Care works with the State of California to help you get the health care you need. L.A. Care is a local public entity. In fact, we are the largest publicly operated health plan in the nation. L.A. Care serves people who live in Los Angeles County (called a “service area”). L.A. Care also works with three (3) Health Plan Partners (L.A. Care is also considered a “Health Plan Partner”) to provide health care services to our members. When a Medi-Cal member joins L.A. Care, the member may choose to get services through any Health Plan Partner listed below as long as the plan choice is available.

- You move out of Los Angeles County
- You no longer have Medi-Cal
- You become eligible for a waiver program that requires you to be enrolled in Fee-for-Service (FFS) Medi-Cal
- You are in jail or prison

### Special considerations for American Indians in managed care

American Indians have a right to not enroll in a Medi-Cal managed care plan. Or they may leave their Medi-Cal managed care plan and return to FFS Medi-Cal at any time and for any reason.

If you are an American Indian, you have the right to get health care services at an Indian Health Care Provider (IHCP). You can also stay with or disenroll (drop) from Anthem while getting health care services from these locations. To learn more about enrollment and disenrollment, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

Anthem must provide care coordination for you, including out-of-network case management. If you ask to get services from an IHCP and there is no available in-network IHCP, Anthem must help you find an out-of-network IHCP. To learn more, read “Provider network” in Chapter 3 of this handbook.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

If you are leaving California temporarily to be a student in another state and you want to keep your Medi-Cal coverage, contact your eligibility worker at the Los Angeles County Department of Public Social Services. As long as you qualify, Medi-Cal will cover emergency services and urgent care in another state. If Anthem approves the service and the doctor and hospital meet Medi-Cal rules, Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico.

Routine and preventive care services, including prescription drugs, are not covered when you are outside of California. You will not qualify for Medi-Cal. Anthem will not pay for your health care. If you want Medicaid in another state, you will need to apply in that state. Medi-Cal does not cover emergency, urgent, or any other health care services outside of the United States, except for Canada and Mexico as noted in Chapter 3.

### Continuity of care

#### Continuity of care for an out-of-network provider

As a member of Anthem, you will get your health care from providers in Anthem's network. To find out if a health care provider is in the Anthem's network, please read your provider directory online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**. Providers not listed in the directory may not be in the Anthem network.

In some cases, you might be able to get care from providers who are not in the Anthem network. If you were required to change your health plan or to switch from FFS to managed care, or you had a provider who was in network but is now outside the network, you might be able to keep your provider even if they are not in the Anthem network. This is called continuity of care.

If you are an American Indian, you do not have to pay enrollment fees, premiums, deductibles, co-pays, cost sharing, or other similar charges. MCPs must not charge any American Indian member who gets an item or service directly from an IHCP or through a referral to an IHCP or reduce payments due to an IHCP by the amount of any enrollment fee, premium, deductible, copayment, cost sharing, or similar charge.

If you are enrolled in the California Children's Health Insurance Program (CCHIP) in Santa Clara, San Francisco, or San Mateo counties or are enrolled in Medi-Cal for Families, you might have a monthly premium and co-pays.

### How a provider gets paid

- Capitation payments
  - Anthem pays some providers a set amount of money every month for each Anthem member. This is called a capitation payment. Anthem and providers work together to decide on the payment amount.
- FFS payments
  - Some providers give care to Anthem members and send Anthem a bill for the services they provided. This is called an FFS payment. Anthem and providers work together to decide how much each service costs.

- You got the covered service after you became an eligible Anthem member.

- You show proof that you paid for the covered service, such as a detailed receipt from the provider.
- You got the covered service from a Medi-Cal enrolled provider in Anthem's network. You do not need to meet this condition if you got emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to give proof from the provider that shows a medical need for the covered service.

Anthem will tell you if they will reimburse you in a letter called a Notice of Action (NOA). If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider is enrolled in Medi-Cal but is not in the Anthem network and refuses to pay you back, Anthem will pay you back, but only up to the amount that FFS Medi-Cal would pay. Anthem will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval (prior authorization). If you do not meet one of the above conditions, Anthem will not pay you back.

Anthem will not pay you back if:

- You asked for and got services that are not covered by Medi-Cal, such as cosmetic services
- The service is not a covered service for Anthem
- You have an unmet Medi-Cal share of cost

## Getting health care services

**PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OR PROVIDERS HEALTH CARE MAY BE OBTAINED.**

You can start getting health care services on your effective date of enrollment in Anthem. Always carry with you your Anthem Identification (ID) card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards. Never let anyone else use your BIC or Anthem ID card.

New members with only Medi-Cal coverage must choose a primary care provider (PCP) in the Anthem network. New members with both Medi-Cal and comprehensive other health coverage do not have to choose a PCP.

---

 Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

The Anthem network is a group of doctors, hospitals, and other providers who work with Anthem.

You must choose a PCP within 30 days from the time you become a member of Anthem. If you do not choose a PCP, Anthem will choose one for you.

You can choose the same PCP or different PCPs for all family members in Anthem, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, go to the Provider Directory for a list of all PCPs and other providers in the Anthem network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. You can also find the Provider Directory on the Anthem website at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

If you cannot get the care you need from a participating provider in the Anthem network, your PCP or specialist in Anthem's network

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

must ask Anthem for approval to send you to an out-of-network provider. This is called a referral. You do not need a referral to go to an out-of-network provider to get sensitive care services listed under the heading “Sensitive care” later in this chapter.

Read the rest of this chapter to learn more about PCPs, the Provider Directory, and the provider network.

**The Medi-Cal Rx program administers outpatient prescription drug [coverage](#). To learn more, read “Other Medi-Cal programs and services” in Chapter 4.**

## Primary care provider (PCP)

Your primary care provider (PCP) is the licensed provider you go to for most of your health care. Your PCP also helps you get other types of care you need. You must choose a PCP within 30 days of enrolling in Anthem. Depending on your age

and sex, you can choose a general practitioner, OB/GYN, family practitioner, internist, or pediatrician as your PCP.

A nurse practitioner (NP), physician assistant (PA), or certified nurse midwife can also act as your PCP. If you choose an NP, PA, or certified nurse midwife, you can be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you also have other comprehensive health care insurance, you do not have to choose a PCP.

You can choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) as your PCP.

Depending on the type of provider, you might be able to choose one PCP for yourself and your other family members who are members of Anthem, as long as the PCP is available.

**Note:** American Indians can choose an IHCP as their PCP, even if the IHCP is not in the Anthem network.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

If you do not choose a PCP within 30 days of enrollment, Anthem will assign you to a PCP. If you are assigned to a PCP and want to change, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. The change happens the first day of the next month.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one
- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the Anthem network. The Provider Directory has a list of IHCPs, FQHCs, and RHCs that work with Anthem.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

You can find the Anthem Provider Directory online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**. Or you can request a Provider Directory to be mailed to you by calling the Customer Care Center at **1-888-285-7801 (TTY 711)**. You can also call to find out if the PCP you want is taking new patients.

#### **Choice of doctors and other providers**

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. If you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the Anthem provider network and is taking new patients.

Your new choice will become your PCP on the first day of the next month after you make the change.

To change your PCP, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Monday to Friday, 7 a.m. to 7 p.m. Pacific time, or visit **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

Anthem can change your PCP if the PCP is not taking new patients, has left the Anthem network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. Anthem or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If Anthem needs to change your PCP, Anthem will tell you in writing.

If your PCP changes, you will get a letter and new Anthem member ID card in the mail. It will have the name of your new PCP. Call the Customer Care Center if you have questions about getting a new ID card.

Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work, or my children's school?

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

- Is the PCP's office near where I live and is it easy to get to the PCP's office?
- Do the doctors and staff speak my language?
- Does the PCP work with a hospital I like?
- Does the PCP provide the services I need?
- Do the PCP's office hours fit my schedule?
- Does the PCP work with specialists I use?

#### Initial Health Appointment (IHA)

Anthem recommends that, as a new member, you visit your new PCP within 120 days for an Initial Health Appointment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP might ask you questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that can help you.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of Anthem. Give your Anthem ID number.

Take your BIC and Anthem ID card to your appointment. It is a good idea to take a list of your medicine and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

If you have questions about IHA, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

#### **Routine care**

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups, health education, and counseling.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

Anthem recommends that children, especially, get regular routine and preventive care. Anthem members can get all recommended early preventive services recommended by the American Academy of Pediatrics and the Centers for Medicare and Medicaid Services. These screenings include hearing and vision screening, which can help ensure healthy development and learning. For a list of pediatrician-recommended services, read the “Bright Futures” guidelines from the American Academy of Pediatrics at [https://downloads.aap.org/AAP/PDF/periodicity\\_schedule.pdf](https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf).

Routine care also includes care when you are sick. Anthem covers routine care from your PCP.

Your PCP will:

- Give you most of your routine care, including regular checkups, shots, treatment, prescriptions, and medical advice
- Keep your health records

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://anthem.com/ca/medi-cal)**.

### 3 | How to get care

- Refer (send) you to specialists if needed
- Order X-rays, mammograms, or lab work if you need them

When you need routine care, you will call your doctor for an appointment. Be sure to call your PCP before you get medical care unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read Chapter 4, “Benefits and services” and Chapter 5, “Child and youth well care” in this handbook.

**All Anthem providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or Anthem what you need.**

### Provider network

The Medi-Cal provider network is the group of doctors, hospitals, and other providers that work with Anthem to provide Medi-Cal covered services to Medi-Cal members.

Anthem is a managed care health plan. You must get most of your covered services through Anthem in-network providers. You can go to an out-of-network provider without a referral or pre-approval for emergency care or for family planning services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area that we do not serve. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

**Note:** American Indians can choose an IHCP as their PCP, even if the IHCP is not in the Anthem network.

If your PCP, hospital, or other provider has a moral objection to providing you with a covered service,

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

such as family planning or abortion, call the Customer Care Center **1-888-285-7801 (TTY 711)**. For more about moral objections, read “Moral objection” later in this chapter.

If your provider has a moral objection to giving you covered health care services, they can help you find another provider who will give you the services you need. Anthem can also help you find a provider who will perform the service.

### **In-network providers**

You will use providers in the Anthem network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals, and other providers in the Anthem network.

To get a Provider Directory of in-network providers, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. You can also find the Provider Directory online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**. To get a copy of the Contract Drugs List, call Medi-Cal Rx at **1-800-977-2273 (TTY 1-800-977-2273)** and press

**7 or 711.** Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

You must get pre-approval (prior authorization) from Anthem before you go to a provider outside the Anthem network, including inside the Anthem service area, except in these cases:

- If you need emergency care, call 911 or go to the nearest hospital.
- If you are outside the Anthem service area and need urgent care, go to any urgent care facility.
- If you need family planning services, go to any Medi-Cal provider without pre-approval (prior authorization).
- If you need mental health services, go to an in-network provider or a county mental health plan provider, without pre-approval (prior authorization).

If you are not in one of the cases listed above and you do not get pre-approval (prior authorization) before getting care from a provider outside the network, you might be responsible for paying for any care you got from out-of-network providers.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://anthem.com/ca/medi-cal)**.

### Out-of-network providers who are inside the service area

Out-of-network providers are health care providers that do not have an agreement to work with Anthem. Except for emergency care, you might have to pay for any care you get from out-of-network providers. If you need medically necessary health care services that are not available in the network, you might be able to get them from an out-of-network provider at no cost to you.

Anthem may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the Anthem service area, you must go to an Anthem in-network urgent care provider. You do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get pre-approval (prior authorization) to get

urgent care from an out-of-network provider inside the Anthem service area.

If you get urgent care from an out-of-network provider inside Anthem service area, you might have to pay for that care. You can read more about emergency care, urgent care, and sensitive care services in this chapter.

**Note:** If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral. An out-of-network IHCP can also refer American Indian members to an in-network provider without first requiring a referral from an in-network PCP.

If you need help with out-of-network services, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

emergency or urgent, call your PCP right away. Or call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Members that need non-emergency or non-urgent care outside of the L.A. Care service area (Los Angeles County) and/or provider network, must have pre-approval prior to getting the service. Please call your PCP or Anthem's Customer Care Center.

For emergency care, call **911** or go to the nearest emergency room. Anthem covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency care requiring hospitalization, Anthem will cover your care. If you are traveling abroad outside of Canada or Mexico and need emergency care, urgent care, or any health care services Anthem will **not** cover your care.

If you paid for emergency care requiring hospitalization in Canada or Mexico, you can ask Anthem to pay you back. Anthem will review your request.

### 3 | How to get care

If you are in another state or are in a US Territory such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or US Virgin Islands, you are covered for emergency care. Not all hospitals and doctors accept Medicaid. (Medi-Cal is what Medicaid is called in California only.) If you need emergency care outside of California, tell the hospital or emergency room doctor as soon as possible that you have Medi-Cal and are a member of Anthem.

Ask the hospital to make copies of your Anthem ID card. Tell the hospital and the doctors to bill Anthem. If you get a bill for services you got in another state, call Anthem right away. We will work with the hospital and/or doctor to arrange for Anthem to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, have the pharmacy call Medi-Cal Rx at **1-800-977-2273**.

**Note:** American Indians may get services at out-of-network IHCPs.

### 3 | How to get care

California Children's Services (CCS) Program is a state program that treats children under 21 years of age who have certain health conditions, diseases, or chronic health problems and meet the CCS program rules. If you need health care services for a CCS eligible medical condition and Anthem does not have a CCS-paneled specialist in the network who can provide the care you need, you may be able to go to a provider outside of the provider network at no cost to you. To learn more about the CCS program, read Chapter 4, "Benefits and services" in this handbook.

If you have questions about out-of-network or out-of-service-area care, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. If the office is closed and you want help from a representative, call the 24/7 NurseLine at **1-800-224-0336 (TTY 711)**.

If you need urgent care out of the Anthem service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, Anthem will not cover your care.

For more on urgent care, read “Urgent care” later in this chapter.

### Delegated Model MCPs

Anthem works with a large number of doctors, specialists, pharmacies, hospitals, and other health care providers. Some of these providers work within a network, sometimes called a “medical group” or an “independent practice association (IPA).” These providers may also be directly contracted with Anthem.

Your primary care provider (PCP) will refer you to specialists and services that are connected with his or her medical group, IPA or with Anthem. If you are going to a specialist already, talk with your PCP or call the Customer Care Center Monday to Friday, 7 a.m. to 7 p.m. Pacific time at **1-888-285-7801 (TTY 711)**. The Customer Care Center will help you see that provider if you are eligible for continuity of care. For more information, go to the continuity of care section in this handbook.

### How managed care works

Anthem is a managed care plan. Anthem provides care to members who live or work in Los Angeles County. In managed care, your PCP, specialists, clinic, hospital, and other providers work together to care for you.

Anthem contracts with medical groups to provide care to Anthem members. A medical group is made up of doctors who are PCPs and specialists.

The medical group works with other providers such as laboratories and durable medical equipment suppliers. The medical group is also connected with a hospital. Check your Anthem ID card for the names of your PCP, medical group, and hospital.

When you join Anthem, you choose or are assigned to a PCP. Your PCP is part of a medical group.

Your PCP and medical group direct the care for all of your medical needs. Your PCP may refer you to specialists or order lab tests and X-rays. If you need services that require pre-approval (prior authorization),

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

Anthem or your medical group will review the pre-approval (prior authorization) and decide whether to approve the service.

In most cases, you must go to specialists and other health professionals who work with the same medical group as your PCP. Except for emergencies, you must also get hospital care from the hospital connected with your medical group.

Sometimes, you might need a service that is not available from a provider in the medical group.

In that case, your PCP will refer you to a provider who is in another medical group or is outside the network. Your PCP will ask for pre-approval (prior authorization) for you to go to this provider.

In most cases, you must have prior authorization from your PCP, medical group, or

Anthem before you can go to an out-of-network provider or a provider who is not part of your medical group. You do not need pre-approval

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medical](https://www.anthem.com/ca/medical)**.

(prior authorization) for emergency services, family planning services, or in-network mental health services.

### **Members who have both Medicare and Medi-Cal**

Because you have Medicare coverage, your regular (acute) care is covered through your Medicare plan. You choose a primary care provider with your Medicare plan. Please look at the Evidence of Coverage for your Medicare plan to understand the role of a primary care provider, who can be a primary care provider, how to change your primary care provider, and how to get care. The Medicare MCO Evidence of Coverage will also have details on your Medicare and prescription drug benefits and how they work together with your Medicaid benefits. If you have Medicare coverage with another Medicare insurer, refer to the handbook and information they sent you.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### What do I need to bring with me to my doctor's appointment?

When you go to the doctor's office for your appointment, bring:

- Your regular Medicare ID card or your Medicare Advantage plan ID card
- If your Medicare plan is the MCO Advantage plan, show your MCO Advantage ID card
- Your Medi-Cal ID card
- Any medicines you are taking
- Your shot records

### Doctors

You will choose a doctor from the Anthem Provider Directory as your PCP. The doctor you choose must be an in-network provider. To get a copy of the Anthem Provider Directory, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Or find it online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

If you are choosing a new PCP, you should also call the PCP you want to make sure they are taking new patients.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

If you had a doctor before you were a member of Anthem, and that doctor is not part of the Anthem network, you might be able to keep that doctor for a limited time. This is called continuity of care.

You can read more about continuity of care in this handbook. To learn more, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

If you need a specialist, your PCP will refer you to a specialist in the Anthem network. Some specialists do not require a referral. For more on referrals, read “Referrals” later in this chapter.

Remember, if you do not choose a PCP, Anthem will choose one for you, unless you have other comprehensive health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or if you have other health care insurance, you do not have to choose a PCP from Anthem.

You will need to go to a hospital that your PCP uses and is in the Anthem provider network. The Provider Directory lists the hospitals in the Anthem network.

The Provider Directory has Anthem in-network provider names, specialties, addresses, phone numbers, business hours, and languages spoken. It tells you if the provider is taking new patients.

Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours

### 3 | How to get care

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health. Also, if you prefer to wait for a later appointment that will better fit your schedule or go to another provider of your choice, your provider or your Anthem will respect your wish.

Your doctor may recommend a specific schedule for preventive services, follow-up care for ongoing conditions, or standing referrals to specialists, depending on your needs.

Tell us if you need interpreter services when you call Anthem or when you get covered services. Interpreter services, including sign language, are available at no cost to you. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

#### **Travel time or distance to care**

Anthem must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in.

If Anthem is not able to provide care to you within these travel time or distance standards, DHCS may allow a different standard, called an alternative access standard. For Anthem's time or distance standards for where you live, visit [lacare.org](https://lacare.org). Or call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

## 3 | How to get care

If you need care from a provider located far from where you live, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. They can help you find care with a provider located closer to you. If Anthem cannot find care for you from a closer provider, you can ask Anthem to arrange transportation for you to go to your provider, even if that provider is located far from where you live.

If you need help with pharmacy providers, call Medi-Cal Rx at **1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711**.

It is considered far if you cannot get to that provider within the Anthem's travel time or distance standards for your county, regardless of any alternative access standard Anthem might use for your ZIP code.

### Payment

You do **not** have to pay for covered services unless you have a share of cost for long-term care. To learn more, read “For members with long-term care and a share of cost” in Chapter 2. In most cases, you will not get a bill from a provider. You must show your Anthem ID card and your Medi-Cal BIC when you get health care services or prescriptions, so your provider knows who to bill. You can get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. If you get a bill for prescriptions, call Medi-Cal Rx at **1-800-977-2273**

Tell Anthem the amount you are being charged, the date of service, and the reason for the bill. You do not need to pay providers for any amount owed by Anthem for any covered service. You must get pre-approval (prior authorization) from Anthem before you visit an out-of-network provider except when:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval (prior authorization)
- You need mental health services, in which case you can go to an in-network provider or to a county mental health plan provider without pre-approval (prior authorization)

### 3 | How to get care

If you get care from an out-of-network provider and you did not get pre-approval (prior authorization) from L.A. Care, you might have to pay for the care you got. If you need to get medically necessary care from an out-of-network provider because it is not available in the Anthem network, you will not have to pay as long as the care is a Medi-Cal covered service and you got pre-approval (prior authorization) from Anthem for it. To learn more about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay you don't think you have to pay, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. If you pay the bill, you can file a claim with Anthem. You will need to tell Anthem in writing why you had to pay for the item or service. Anthem will decide if you can get money back.

## 3 | How to get care

If you get services in the Veterans Affairs system or get non-covered or unauthorized services outside of California, you might be responsible for payment.

Anthem will not pay you back if:

- The services are not covered by Medi-Cal such as cosmetic services
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You asked to be paid back for co-pays for prescriptions covered by your Medicare Part D plan

## Referrals

If you need a specialist for your care, your PCP or another specialist will give you a referral to one. A specialist is a provider who focuses on one type of health care service. The doctor who refers you will work with you to choose a specialist. To help make

sure you can go to a specialist in a timely way, DHCS sets time frames for members to get appointments. These time frames are listed in “Timely access to care” in this handbook. Your PCP’s office can help you set up an appointment with a specialist.

Other services that might need a referral include in-office procedures, X-rays and lab work.

Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

If you have a health problem that needs special medical care for a long time, you might need a standing referral. This means you can go to the same specialist more than once without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the Anthem referral policy, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

## California Cancer Equity Act referrals

Effective treatment of complex cancers depends on many factors. These include getting the right diagnosis and getting timely treatment from cancer experts. If you are diagnosed with a complex cancer, the new California Cancer Care Equity Act allows you to ask for a referral from your doctor to get cancer treatment from an in-network National Cancer Institute (NCI)-designated cancer center, NCI Community Oncology Research Program (NCORP)-affiliated site, or a qualifying academic cancer center.

If Anthem does not have an in-network NCI-designated cancer center, Anthem will allow you to ask for a referral to get cancer treatment from one of these out-of-network centers in California, if one

## Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask Anthem for permission before you get the care. This is called asking for pre-approval or prior authorization. It means Anthem must make sure the care is medically necessary (needed).

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](http://anthem.com/ca/medi-cal)**.

### 3 | How to get care

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services always need pre-approval (prior authorization), even if you get them from a provider in the Anthem network:

- Hospitalization, if not an emergency
- Services out of the Anthem service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility
- Specialized treatments, imaging, testing, and procedures

### 3 | How to get care

- Medical transportation services when it is not an emergency.
- Major organ transplant

Emergency ambulance services do not require pre-approval (prior authorization).

Under Health and Safety Code Section 1367.01(h)(1), Anthem has 5 business days from when Anthem gets the information reasonably needed to decide (approve or deny) pre-approval (prior authorization) requests.

For requests a provider made or when Anthem finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, Anthem will make an expedited (fast) pre-approval (prior authorization) decision.

Anthem will give you notice as quickly as your health condition requires and no later than 72 hours after getting the request for services.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

Anthem does not influence the reviewers' decision to deny or approve coverage or services in any way. If Anthem does not approve the request, Anthem will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

Anthem will contact you if Anthem needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the network or out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read "Sensitive care" later in this chapter.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

If you want to get a second opinion, we will refer you to a qualified in-network provider who can give you a second opinion. For help choosing a provider, call the Customer Care Center at **1-888-285-7801 (TTY 711)**.

Anthem will pay for a second opinion if you or your in-network provider asks for it, and you get the second opinion from an in-network provider. You do

not need pre-approval (prior authorization) from Anthem to get a second opinion from an in-network provider. Your in-network provider can help you get a referral for a second opinion if you need one.

If there is no provider in the Anthem network who can give you a second opinion, Anthem will pay for a second opinion from an out-of-network provider. Anthem will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, Anthem will tell you in writing within 72 hours.

If Anthem denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

### Adult sensitive care services

As an adult 18 years or older, you may not want to go to your PCP for certain sensitive or private care. You can choose any doctor or clinic for these types of care:

- Family planning and birth control including sterilization for adults 21 and older
- Pregnancy testing and counseling
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing, and treatment
- Sexual assault care
- Outpatient abortion services

For sensitive care, the doctor or clinic does not have to be in the Anthem network. You can choose to go to any Medi-Cal provider for these services without a referral or pre-approval (prior authorization) from Anthem. If you got care not listed here as sensitive care from an out-of-network provider, you might have to pay for it.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

Or call the 24/7 NurseLine at **1-800-224-0336 (TTY 711)**.

Anthem will not disclose medical information related to sensitive services to any other member without written authorization from you, the member receiving care. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7.

#### **Moral objection**

Some providers have a moral objection to some covered services. They have a right to **not** offer some covered services if they morally disagree with the services. If your provider has a moral objection, they will help you find another provider for the needed services. Anthem can also help you find a provider.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury, or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization). If you ask for an urgent care appointment, you will get an appointment within 48 hours. If the urgent care services you need require a pre-approval (prior authorization), you will get an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Or you can call the 24/7

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever
- Ear pain
- Sprained muscle
- Maternity services

You must get urgent care services from an in-network provider when you are inside Anthem's service area.

You do not need pre-approval (prior authorization) for urgent care from in-network providers inside Anthem's service area. If you are outside the Anthem service area, but inside the United States, you do not need pre-approval (prior authorization) to get urgent care.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

### 3 | How to get care

Go to the nearest urgent care facility. Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need mental health urgent care, call your county mental health plan or the Customer Care Center at **1-888-285-7801 (TTY 711)**. Call your county mental health plan or your Anthem Behavioral Health Organization any time, 24 hours a day, 7 days a week. To find all counties' toll-free telephone numbers online, go to: <http://www.dhcs.ca.gov/individuals/Pages/MHPContactList.aspx>.

If you get medicines as part of your covered urgent care visit, Anthem will cover them as part of your covered visit. If your urgent care provider gives you a prescription to take to a pharmacy, Medi-Cal Rx will decide if it is covered. To learn more about Medi-Cal Rx, read “Prescription drugs covered by Medi-Cal Rx” in “Other Medi-Cal programs and services” in Chapter 4.

### Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from Anthem.

Inside the United States, including any United States Territory, you have the right to use any hospital or other setting for emergency care.

If you are outside the United States, only emergency care requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don't get care right away, you would place your health (or your unborn baby's health) in serious danger. ### 3 | How to get care

If you need emergency care away from home, go to the nearest ER even if it is not in the Anthem network. If you go to an ER, ask them to call Anthem. You or the hospital that admitted you should call Anthem within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, Anthem will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or Anthem before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call Anthem.

**Remember:** Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

### Advance directives

An advance health directive is a legal form. You can list on the form the health care you want in case you cannot talk or make decisions later. You can also list what care you do **not** want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at pharmacies, hospitals, law offices, and doctors' offices. You might have to pay for the form. You can also find and download a free form online. You can ask your family, PCP, or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have the right to change or cancel your advance directive at any time.

Medi-Cal covered pharmacy appointments. You can request medical transportation by asking your doctor, dentist, podiatrist, or mental health or substance use disorder provider for it. Your provider will decide the correct type of transportation to meet your needs.

If they find that you need medical transportation, they will prescribe it by filling out a form and submitting it to Anthem. Once approved, the approval is good for up to 12 months, depending on the medical need. Once approved, you can get as many rides as you need. Your doctor will need to reassess your medical need for medical transportation and re-approve it every 12 months.

Medical transportation is an ambulance, litter van, wheelchair van, or air transport. Anthem allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment.

That means, for example, if you can physically or medically be transported by a wheelchair van, Anthem will not pay for an ambulance. You are only

### Major organ transplant

#### *Transplants for children under age 21*

In Los Angeles County, state law requires children who need transplants to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for the transplant and related services.

If the child does not qualify for CCS, Anthem will refer the child to a qualified transplant center for evaluation. If the transplant center confirms that the transplant would be needed and safe, Anthem will cover the transplant and related services.

Call the Customer Care Center at **1-888-285-7801 (TTY 711)**. Anthem is here Monday to Friday, 7 a.m. to 7 p.m. Pacific time. The call is free. Or call the California Relay Line at 711. Visit online at **[anthem.com/ca/medi-cal](https://www.anthem.com/ca/medi-cal)**.

Anthem must refer California Children's Services (CCS) eligible children to a CCS-approved Special Care Center (SCC) for an evaluation within 72 hours of when the child's doctor or specialist identifies the child as a potential candidate for transplant. If SCC confirms that the transplant would be needed and safe, Anthem will cover the transplant and related services.

### ***Transplants for adults ages 21 and older***

### Outpatient prescription drugs

#### *Prescription drugs covered by Medi-Cal Rx*

Prescription drugs given by a pharmacy are covered by Medi-Cal Rx, which is a Medi-Cal FFS program. Anthem might cover some drugs a provider gives in an office or clinic. If your provider prescribes drugs given in the doctor's office, infusion center, or by a home infusion provider, these are considered physician-administered drugs.

If a non-pharmacy based medical health care professional administers a drug, it is covered under the medical benefit. Your provider can prescribe you drugs on the Medi-Cal Rx Contract Drugs List.

Sometimes, you need a drug not on the Contract Drugs List. These drugs need approval before you can fill the prescription at the pharmacy. Medi-Cal Rx will review and decide these requests within 24 hours.

You must ask for an appeal within 60 days from the date on the NOA you got from us. If we decided to reduce, suspend, or stop a service you are getting now, you can continue getting that services while you wait for your appeal to be decided. This is called Aid Paid Pending. To get Aid Paid Pending, you must ask us for an appeal within 10 days from the date on the NOA or before the date we said your services will stop, whichever is later.

- File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have Anthem's decision reviewed. Or ask for an **Independent Medical Review (IMR)** from DMHC. ### **Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care (DMHC)**

An IMR is when an outside doctor who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with Anthem. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing so if you want an IMR and a State hearing file your complaint as soon as you can. Remember, if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure Anthem made the correct decision when you appealed its denial of services.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at Customer Care Center at **1-888-285-7801 (TTY 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance.

You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website [www.dmh.ca.gov](http://www.dmh.ca.gov) has complaint forms, IMR application forms and instructions online.

### Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. ### **Notice about Medi-Cal as a payer of last resort, other health coverage, and tort recovery**

The Medi-Cal program follows state and federal laws and regulations relating to the legal liability of third parties for health care services to members. Anthem will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. As a condition of Medi-Cal eligibility, you must apply for or retain any available OHC when there is no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. You may have to repay DHCS for any benefits paid by mistake if you don't report OHC quickly. Submit your OHC online at <http://dhcs.ca.gov/OHC>.

The California Department of Health Care Services (DHCS) has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first, or reimburse Medi-Cal.

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <https://dhcs.ca.gov/PI>
- Workers' Compensation Recovery Program at <https://dhcs.ca.gov/WC>

Repayment includes Fee-for-Service (FFS) and managed care premiums or capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

If you disagree with Anthem's decision, you can always file an appeal with Anthem. Go to the Appeals section above for important information on filing your appeal. When Anthem sends you a NOA it will tell you all the rights you have if you disagree with a decision we made.
