Agenda

Categories	Details	Responsible Party
I.	Introductions	All
II.	<p>MOU</p> <p>Both health plans, Anthem and Health Net meeting with Mono County BH to discuss and review MHP-SMHS MOU.</p> <p>Jared and Jimmy discussed sharing P&Ps for the purpose of alignment.</p> <p>Jared discussed data sharing points with Jimmy and Danielle in regard to what is mentioned throughout the MOU. MCPs in need of information around what type of data the county needs, how they can ingest it, etc.</p> <p>Danielle and Jimmy suggest using the CalMHSA hub that they are already established with since the volume for Mono County is low. Desiree and Jared agree to continue with the existing CalMHSA SFTP for Mono County BH data sharing.</p> <p>Annesha to take information back internally and follow up with Mono County BH.</p> <p>Jared shared our most recent update regarding ADT data through Point Click Care, Manifest MedEx, and Availity.</p>	All

	<p>Danielle shared that Mono County has yet to receive any files from CalMHSA and shared that if the file is received in .dat, they will not be able to translate into a readable document. Desiree and Jared to take this back to Ken at CalMHSA. CalMHSA is already familiar with this barrier due to a similar situation in another county.</p> <p>Danielle emphasized the impact for lab data. Jared shared that there may be options to receive data with a faster turnaround time through the work our Quality team does for HEDIS. More updates to come revolving this.</p> <p>Desiree to provide county with clean copy of the MHP MOU with agreed upon changes so Mono can obtain signatures from County Counsel.</p>
