So some of the key questions that we ask include if it's easy for our Members to read. If it's presented in an appealing way, well, our Members feel represented by the material. And then also if the information is relevant to their lives. She asked for feedback</p>

	<p>on material shared. She shared a texting campaign that will be sent out to members. The campaigns intended for parents or guardians who have a child that is currently using Anti-psychotic medication and encourages the parent to keep to their child's treatment plan. So this campaign can be provided in. Both English and Spanish. Members will receive the messages that I'm about to show you after confirming their date of birth, to protect their privacy, and then lastly 4 messages will be sent out in total. About one per month to try to avoid member abrasions with a bunch of different texting campaigns going on. She read through the text and asked for feedback.</p> <div data-bbox="581 583 638 646" data-label="Image"> </div> <p>15334882 1078627CAMENABC</p> <p>There was no feedback or comments provided.</p>
