## B. Preguntas frecuentes (FAQ)

Encuentre aquí las respuestas a las preguntas que tenga sobre esta *Lista de medicamentos cubiertos*. Puede leer todas las FAQ para saber más o buscar una pregunta y respuesta.

---

### **B1. ¿Qué medicamentos recetados se encuentran en la *Lista de medicamentos cubiertos*? (Llamamos a la *Lista de medicamentos cubiertos*, la "*Lista de medicamentos*" para abreviar).**

Los medicamentos en la Lista de medicamentos son los medicamentos que están cubiertos por Anthem Blue Cross Cal MediConnect Plan. Los medicamentos están disponibles en las farmacias dentro de nuestra red. Una farmacia está en nuestra red si tenemos un acuerdo con ellos para que trabajen con nosotros y le brinden servicios. Nos referimos a estas farmacias como "farmacias de la red".

- Anthem Blue Cross Cal MediConnect Plan cubrirá todos los medicamentos médicamente necesarios de la Lista de medicamentos si:
  - su médico u otro médico que receta dice que usted los necesita para mejorar o mantenerse saludable y
  - usted abastece la receta en una farmacia de la red de Anthem Blue Cross Cal MediConnect Plan.
- En algunos casos, usted debe hacer algo antes de poder obtener un medicamento (consulte la pregunta B4 más adelante).

Si cubrimos un medicamento solo para algunas afecciones médicas, lo señalamos claramente en la Lista de medicamentos junto con la afección médica específica que se cubre.

También puede ver una lista actualizada de los medicamentos que cubrimos en nuestro sitio web en **[duals.anthem.com](https://duals.anthem.com)** o llame a Servicios de Farmacia para Miembros al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana.

---

### **B2. ¿Alguna vez cambia la Lista de medicamentos?**

Sí, y Anthem Blue Cross Cal MediConnect Plan debe seguir las reglas de Medicare y Medicaid al hacer cambios. Podemos agregar o retirar medicamentos de la Lista de medicamentos durante el año.

También podemos cambiar nuestras reglas sobre los medicamentos. Por ejemplo, podemos:

- Decidir si solicitar o no una aprobación previa para un medicamento. (La *Autorización previa* es el permiso de Anthem Blue Cross Cal MediConnect Plan antes de que usted pueda obtener un medicamento).
- Agregar o cambiar la cantidad que puede recibir de un medicamento (denominado límites de cantidad).

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](https://duals.anthem.com)**.

- Agregar o cambiar las restricciones de la terapia escalonada sobre un medicamento. (La *Terapia escalonada* significa que debe probar un medicamento antes de que cubramos otro medicamento).

Para obtener más información sobre estas reglas de medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que se cubrió al **inicio** del año, por lo general no retiraremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año** a menos que:

- un medicamento nuevo y más barato salga al mercado y actúe tan bien como un medicamento en la Lista de medicamentos actual;
- nos enteremos que un medicamento no es seguro; o
- un medicamento sea retirado del mercado.

Las preguntas B3 y B6 a continuación tienen más información sobre lo que sucede cuando la Lista de medicamentos cambia.

- Siempre puede consultar la Lista de medicamentos actualizada de Anthem Blue Cross Cal MediConnect Plan en línea en **[duals.anthem.com](https://duals.anthem.com)**.
- También puede llamar a Servicios de Farmacia para Miembros para consultar la Lista de medicamentos actual al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana.

---

### **B3. ¿Qué sucede cuando hay un cambio en la Lista de medicamentos?**

Algunos cambios a la Lista de medicamentos sucederán **de inmediato**. Por ejemplo:

- **Un nuevo medicamento genérico está disponible.** Algunas veces sale al mercado un nuevo medicamento genérico que actúa tan bien como un medicamento de marca en la Lista de medicamentos actual. Cuando eso sucede, podemos retirar el medicamento de marca y agregar el nuevo medicamento genérico, pero su costo por el nuevo medicamento seguirá siendo el mismo. Cuando agregamos el nuevo medicamento genérico, podemos también decidir mantener el medicamento de marca en la lista, pero cambiar sus reglas o límites de cobertura.
  - Es posible que no le informemos antes de realizar este cambio, pero le enviaremos información sobre el cambio específico que realizamos una vez que suceda.
  - Usted o su proveedor puede pedir una excepción a estos cambios. Le enviaremos un aviso con los pasos que puede seguir para solicitar una excepción. Consulte la pregunta B10 para obtener más información sobre las excepciones.
- **Un medicamento es retirado del mercado.** Si la Administración de Alimentos y Medicamentos (FDA, por sus siglas en inglés) dice que un medicamento que usted está tomando no es seguro o el fabricante del medicamento retira un medicamento del mercado, lo retiraremos de la Lista de medicamentos. Si usted está tomando el medicamento, le avisaremos. Comuníquese con su médico que receta tan pronto como usted reciba la carta.

**Podemos hacer otros cambios que afecten a los medicamentos que toma.** Le informaremos con anticipación sobre estos otros cambios en la Lista de medicamentos. Estos cambios pueden suceder si:

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](https://duals.anthem.com)**.

- La FDA proporciona una nueva guía o hay nuevas directrices clínicas sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo para el mercado y
  - reemplazamos un medicamento de marca que se encuentra actualmente en la Lista de medicamentos o
  - cambiamos las reglas o límites de cobertura para el medicamento de marca.

Cuando estos cambios sucedan, haremos lo siguiente:

- le informaremos al menos 30 días antes de hacer el cambio a la Lista de medicamentos o
- le informaremos y le entregaremos un suministro de 31 días del medicamento después de que solicite un reabastecimiento.

Esto le dará tiempo para hablar con su médico u otro médico que receta. Él o ella puede ayudarle a decidir:

- si hay un medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar o
- si solicitar una excepción a estos cambios. Para saber más sobre las excepciones, consulte la pregunta B10.

---

#### **B4. ¿Existen restricciones o límites en la cobertura de medicamentos o medidas requeridas que se deben tomar para obtener ciertos medicamentos?**

Sí. Algunos medicamentos tienen reglas de cobertura o límites en la cantidad que usted puede recibir. En algunos casos, usted o su médico u otro médico que receta debe hacer algo antes de poder obtener el medicamento. Por ejemplo:

- **Aprobación previa (o autorización previa):** Para algunos medicamentos, usted, su médico u otro médico que receta debe obtener la aprobación de Anthem Blue Cross Cal MediConnect Plan antes de abastecer su receta. Es posible que Anthem Blue Cross Cal MediConnect Plan no cubra el medicamento si no obtiene la aprobación.
- **Límites de cantidad:** Algunas veces, Anthem Blue Cross Cal MediConnect Plan limita la cantidad que puede recibir de un medicamento.
- **Terapia escalonada:** Algunas veces, Anthem Blue Cross Cal MediConnect Plan le pide que haga terapia escalonada. Esto significa que tendrá que probar medicamentos en un determinado orden para su afección médica. Puede que tenga que probar un medicamento antes de que cubramos otro medicamento. Si su médico cree que el primer medicamento no funciona para usted, cubriremos el segundo.
- **Cobertura en base a la indicación:** Si Anthem Blue Cross Cal MediConnect Plan cubre un medicamento solo para algunas afecciones médicas, lo señalamos claramente en la Lista de medicamentos junto con las afecciones médicas específicas que se cubren.

Usted puede averiguar si su medicamento tiene requisitos o límites adicionales consultando las tablas en las páginas 12 - 155. También puede obtener más información visitando nuestro sitio web en **[duals.anthem.com](http://duals.anthem.com)**. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones de terapia escalonada. También puede solicitarnos que le enviemos una copia.

Puede solicitar una excepción de estos límites. Esto le dará tiempo para hablar con su médico u otro médico que receta. Él o ella puede ayudarle a decidir si hay un medicamento similar en la Lista de medicamentos que pueda tomar en su lugar o si debe solicitar una excepción. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

---

## **B5. ¿Cómo sabrá si el medicamento que quiere tiene limitaciones o si existen medidas requeridas que se deben tomar para obtener el medicamento?**

La *Lista de medicamentos cubiertos* en la página 12 tiene una columna etiquetada como “Medidas necesarias, restricciones o límites de uso”.

---

## **B6. ¿Qué sucede si cambiamos nuestras reglas sobre algunos medicamentos (por ejemplo, autorización previa [aprobación], límites de cantidad y/o restricciones de terapia escalonada)?**

En algunos casos, le informaremos con anticipación si agregamos o cambiamos la aprobación previa, límites de cantidad y/o restricciones de terapia escalonada de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso previo y las situaciones donde es posible que no podamos informarle con anticipación cuando nuestras reglas sobre los medicamentos en la Lista de medicamentos cambian.

---

## **B7. ¿Cómo puede encontrar un medicamento en la Lista de medicamentos?**

Existen dos maneras de encontrar un medicamento:

- Puede buscar por orden alfabético (si sabe cómo se deletrea el medicamento) o
- Puede buscar por afección médica.

Para buscar **por orden alfabético**, vaya a la sección Índice de Medicamentos cubiertos. Puede encontrarla yendo a la lista que comienza en la página 156; luego busque el nombre de su medicamento en la lista.

Para buscar **por afección médica**, encuentre la sección etiquetada como “Lista de medicamentos por afección médica” que comienza en la página 12. Los medicamentos en esta sección están agrupados en categorías según el tipo de afección médica para la que se utilizan. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría Cardiovascular Agents (Agentes cardiovasculares). Ahí es donde encontrará medicamentos que tratan afecciones cardíacas.

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: 711), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](http://duals.anthem.com)**.

---

## **B8. ¿Qué pasa si el medicamento que quiere tomar no está en la Lista de medicamentos?**

Si no ve su medicamento en la Lista de medicamentos, llame a Servicios de Farmacia para Miembros al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana, y pregunte sobre su medicamento. Si le informan que Anthem Blue Cross Cal MediConnect Plan no cubrirá el medicamento, puede hacer lo siguiente:

- Solicitar a Servicios de Farmacia para Miembros una lista de medicamentos como el que usted quiere tomar. Luego, muestre la lista a su médico u otro médico que receta. Él o ella puede recetar un medicamento de la Lista de medicamentos que sea como el que quiere tomar, **O bien**
- Puede solicitar al plan de salud que realice una excepción para cubrir su medicamento. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

---

## **B9. ¿Qué pasa si usted es un miembro nuevo de Anthem Blue Cross Cal MediConnect Plan y no puede encontrar su medicamento en la Lista de medicamentos o tiene algún problema para obtener su medicamento?**

Podemos ayudar. Podemos cubrir un suministro temporal de 31 días de su medicamento durante los primeros 90 días como miembro de Anthem Blue Cross Cal MediConnect Plan. Esto le dará tiempo para hablar con su médico u otro médico que receta. Él o ella puede ayudarle a decidir si hay un medicamento similar en la Lista de medicamentos que puede tomar en su lugar o si debe solicitar una excepción.

Si en su receta figuran menos días, permitiremos que le entreguen múltiples reabastecimientos hasta llegar a un máximo de 31 días de medicamento.

Cubriremos un suministro de 31 días de su medicamento si:

- está tomando un medicamento que no está en nuestra Lista de medicamentos, **o**
- las reglas del plan de salud no le permiten recibir la cantidad ordenada por su médico que receta, **o**
- el medicamento requiere una aprobación previa de Anthem Blue Cross Cal MediConnect Plan **o**
- está tomando un medicamento que es parte de una restricción de terapia escalonada.

Si se encuentra en un hogar de ancianos u otro centro de atención a largo plazo y necesita un medicamento que no está en la Lista de medicamentos o si no puede obtener fácilmente el medicamento que necesita, podemos ayudar. Si ha estado en el plan por más de 90 días, vive en un centro de atención a largo plazo y necesita un suministro de inmediato:

- Cubriremos un suministro de 34 días del medicamento que necesita (a menos que tenga una receta para menos días), sea o no un nuevo miembro de Anthem Blue Cross Cal MediConnect Plan.
- Esto es adicional al suministro temporal durante los primeros 90 días como miembro de Anthem Blue Cross Cal MediConnect Plan.

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](https://duals.anthem.com)**.

Si experimenta un cambio en el nivel de atención que recibe que requiere que cambie de un centro o centro de tratamiento a otro, es posible que sea elegible para un abastecimiento temporal único de la receta que tiene ahora. Por ejemplo, si es dado de alta del hospital y le dan una lista de medicamentos en base al formulario del hospital, es posible que reciba un abastecimiento único del medicamento. Puede recibir una excepción del abastecimiento único temporal, independientemente de si está o no en sus primeros 90 días de inscripción en el programa. Pídale a su médico que prescribe que nos llame para obtener detalles.

---

## **B10. ¿Puede solicitar una excepción para cubrir su medicamento?**

Sí. Puede solicitar a Anthem Blue Cross Cal MediConnect Plan que haga una excepción para cubrir un medicamento que no está en la Lista de medicamentos.

También puede solicitarnos cambiar las reglas sobre su medicamento.

- Por ejemplo, Anthem Blue Cross Cal MediConnect Plan puede limitar la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite, puede solicitarnos que cambiemos el límite y que cubramos más.
- Otros ejemplos: Puede solicitarnos retirar las restricciones de la terapia escalonada o los requisitos de aprobación previa.

---

## **B11. ¿Cómo puede solicitar una excepción?**

Para solicitar una excepción, llame a Servicios de Farmacia para Miembros. El representante de Servicios de Farmacia para Miembros colaborará con usted y su proveedor para ayudarlo a solicitar una excepción.

También puede leer el Capítulo 9 de su *Manual para miembros* para saber más sobre las excepciones.

---

## **B12. ¿Cuánto demora recibir una excepción?**

Primero, debemos recibir una declaración de su médico que receta que respalda su solicitud para una excepción. Después de recibir la declaración, le daremos una decisión sobre su solicitud de excepción dentro de las 72 horas.

Si usted o su médico que receta piensa que su salud puede verse afectada si tiene que esperar 72 horas para una decisión, puede solicitar una excepción acelerada. Esta es una decisión más rápida. Si su médico que receta respalda su solicitud, le daremos una decisión dentro de 24 horas después de recibir la declaración de respaldo de su médico que receta.

---

## **B13. ¿Qué son los medicamentos genéricos?**

Los medicamentos genéricos están hechos de los mismos componentes que los medicamentos de marca. Por lo general cuestan menos que el medicamento de marca y sus nombres son menos conocidos. Los medicamentos genéricos están aprobados por la Administración de Alimentos y Medicamentos (FDA).

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](https://duals.anthem.com)**.

## C. Lista de medicamentos cubiertos

La siguiente lista de medicamentos cubiertos le da información sobre los medicamentos cubiertos por Anthem Blue Cross Cal MediConnect Plan. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice que comienza en la página 156. El Índice muestra por orden alfabético todos los medicamentos cubiertos por Anthem Blue Cross Cal MediConnect Plan.

La primera columna del cuadro indica el nombre del medicamento. Los medicamentos de marca figuran en letra mayúscula (p. ej., SPIRIVA) y los medicamentos genéricos están enumerados en letra minúscula y cursiva (p. ej., *atenolol*).

La información en la columna “Medidas necesarias, restricciones o límites de uso” le indica si Anthem Blue Cross Cal MediConnect Plan tiene alguna regla para cubrir su medicamento.

**Nota:** El asterisco (\*) junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”. No tendrá que pagar un copago por estos medicamentos. Estos medicamentos también tienen diferentes reglas para las apelaciones.

- Una *apelación* es una manera formal de solicitarnos que revisemos una decisión que tomamos sobre su cobertura y que la cambiemos si cree que cometimos un error. Por ejemplo, podríamos decidir que el medicamento que desea no está cubierto o que dejó de estar cubierto por Medicare o Medi-Cal.
- Si usted o su médico no están de acuerdo con nuestra decisión, puede apelar. Si alguna vez tiene alguna pregunta, llame a Servicios de Farmacia para Miembros al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. También puede leer el Capítulo 9 del *Manual para miembros* para saber cómo apelar una decisión.

**Si tiene preguntas**, sírvase llamar a **Anthem Blue Cross Cal MediConnect Plan** al **1-833-370-7466** (TTY: **711**), las 24 horas del día, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite **[duals.anthem.com](https://duals.anthem.com)**.
