

Dental care to keep you smiling

A bright, healthy smile is a sign of good dental health. And that makes a difference for your overall health, especially as we age. Dental care for older adults can include concerns that younger adults don't have. That's why it's important for Indiana PathWays for Aging members to stay on track with their dental benefits through DentaQuest.

Each year, PathWays members can access:

- Two oral exams and one cleaning.
- One set of bitewing X-rays and one complete set of X-rays every three years.
- Medically necessary treatment.
- Emergency treatment.
- Comprehensive oral exam limited to one per lifetime, per member, per provider.
- A periodic or limited oral exam is limited to one every six months, per member.

Note: Topical fluoride is not covered.

Getting dental care is easy.

Just call DentaQuest at **888-291-3762** (TTY **800-466-7566**) to get on the road to better dental health and a lot of smiles.
