Here are samples of legal forms used when a person needs someone else to make choices for them.

- **Health Care, General or Durable Power of Attorney.** This form gives someone the legal power to act for you. This person can make healthcare choices for you. It might say this on the form: "to take charge of my person in the case of sickness of any kind." It may also say this, "and in general to do and act for me and in my name all that I might do if I am not there."
- **Legal Guardianship.** This is when the court names someone to care for a person.
- **Conservatorship.** This happens when a judge names a person to be in charge. This would be when a person can't make choices for themselves.
- **Executor of estate.** This type of form is used when the person who is being spoken for has died.
