Plan now for your care later

It's important for others to know how you feel about your healthcare, especially if you get hurt badly or become too sick to voice your own opinions.

That's where advance directives come in. An advance directive is a form you fill out and sign. You can get one from your PMP or by calling Member Services at the number on your member ID card.

Have you moved? Has your phone number changed? It's important to let us know.

First, log in to your account at **fssabenefits.in.gov**. Then call **833-412-4405 (TTY 711)** to let us know what has changed.

Want a printed copy of your member handbook or provider directory?

Log in to **anthem.com/inmedicaid** to request it through live chat or a secure message. Or, call us at **833-412-4405 (TTY 711)**.
