How to use this directory

This book lists the types of participating providers in the Anthem Medicaid network. Use it to choose the primary care provider (PCP) who will work with you and your family to help keep you well. You may find statewide and up-to-date information on doctors, hospitals and other health care workers in your plan at www.anthem.com/kymedicaid. You may also call Member Services at 1-855-690-7784 (TTY 711) for more help.

To find an Anthem Medicaid provider by using this directory, you'll need to:

- Go to the section with the provider type you are looking for.
- Turn to the page(s) that match(es) your city or county; then, select a provider.
- Check the index section found in the back of the book if you are searching for a certain provider.

Choosing a primary care provider

All members must have a PCP, except:

- Dual-eligible members (those able to get Medicare and Medicaid).
- Children with disabilities.
- Children in foster care.

Your PCP is the main doctor you see for routine health care needs. Your PCP will also refer you to specialists and other providers when needed.

Your PCP can be any of these:

- Licensed or health care expert, as well as a doctor of medicine or doctor of osteopathy
- Advance practice registered nurse (RN), a nurse practitioner, nurse-midwife or clinical specialist
- Physician assistant (PA)
- Clinic, a Federally Qualified Health Center (FQHC), primary care center or rural health clinic
- Primary care physician resident

Please note, you should always get a referral from your PCP before seeing a specialist, except when you need:

- Preventive and routine services from a network OB/GYN, including physicians, physician assistants and nurse practitioners within the scope of their practice.
- Special care, a special course of care or need to be checked on a routine basis.
- Early Periodic Screening, Diagnosis and Treatment (EPSDT) services.
- Routine shots.
- Screening or testing for sexually transmitted diseases, like HIV.
- Family planning.
- Emergency care.

We choose plan providers for their training and experience. When you choose an Anthem Medicaid provider, you're choosing from among the area's most respected PCPs.

If your PCP isn't listed, search the most up-to-date list using our Find a Doctor tool online at www.anthem.com/kymedicaid or call 1-855-690-7784. We add new plan providers daily.

To change your PCP from the one listed on your member ID card, please call Member Services at 1-855-690-7784 or log in to your secure account online.

Mental health/substance use services

If you need care for mental health issues or substance use disorder, you, a family member or your PCP may get information by:

- Calling the mental health services toll-free number on the back of your ID card.
- Visiting a network provider.

Cómo usar este directorio

Este directorio contiene los tipos de proveedores participantes de la red de Anthem Medicaid. Úselo para elegir el proveedor de cuidado primario (PCP) que trabajará con usted y su familia para ayudarlos a mantenerse saludables. En www.anthem.com/kymedicaid, encontrará información actualizada sobre los doctores, hospitales y otros trabajadores del área de cuidado de la salud de su plan. También puede llamar a Servicios al Miembro al 1-855-690-7784 (TTY 711) para obtener ayuda.

Para buscar un proveedor de Anthem Medicaid usando este directorio, debe hacer lo siguiente:

- Vaya a la sección correspondiente al tipo de proveedor que está buscando.
- Luego, fíjese en las páginas que correspondan a su ciudad o condado, y seleccione un proveedor.
- Consulte la sección del índice que está en la parte posterior del directorio si está buscando un proveedor determinado.

Elegir un proveedor de cuidado primario

Todos los miembros deben tener un PCP, excepto en estos casos:

- Miembros con elegibilidad doble (los que pueden obtener Medicare y Medicaid).
- Niños con discapacidades.
- Niños en cuidado tutelar.

El PCP es el doctor principal que usted visita con regularidad para sus necesidades de cuidado de la salud. El PCP también lo referirá a especialistas y otros proveedores cuando sea necesario.

El PCP puede ser cualquiera de estos profesionales:

- Especialista en cuidado de la salud con licencia, incluso un médico clínico u osteópata.
- Un enfermero registrado con práctica avanzada (RN), un enfermero practicante, un partero o un especialista clínico
- Auxiliar médico (PA)
- Centros clínicos, Centro de Salud Federalmente Calificado (FQHC), centros de cuidado primario y clínicas de salud rurales
- Médico residente de cuidado primario

Recuerde que siempre debe obtener el referido de su PCP antes de visitar a un especialista, excepto cuando necesite lo siguiente:

- Servicios preventivos y de rutina de un ginecólogo/obstetra de la red, incluidos médicos, médicos auxiliares y enfermeros practicantes dentro del ámbito de su práctica.
- Cuidado especial, un tratamiento de cuidado especial o para controlar una necesidad de forma periódica.

- Servicios de examen de detección, diagnóstico y tratamiento temprano y periódico (EPSDT).
- Rutina de vacunación.
- Análisis o exámenes de detección de enfermedades de transmisión sexual, como el HIV.
- Planificación familiar.
- Cuidado de emergencia.

Elegimos a los proveedores del plan por su capacitación y su experiencia. Cuando usted elige un proveedor de Anthem Medicaid, está eligiendo entre los PCP más reconocidos del área.

Si su PCP no figura en la lista, busque en www.anthem.com/kymedicaid la lista más actualizada usando la herramienta en línea Find a Doctor (Encontrar un doctor) o llame al 1-855-690-7784. Agregamos nuevos proveedores en el plan a diario.

Para cambiar el PCP que figura en su tarjeta de identificación de miembro, llame a Servicios al Miembro al 1-855-690-7784 o inicie sesión en su cuenta segura en línea.
