Get Started Today!

Registering is safe and simple. Your information is secure and private. Please have your member ID number ready.

- ➤ Go to **Express-Scripts.com** and select **Register Now**. Or download the **Express Scripts Mobile App** at no cost from your mobile device's app store. Then select **Register Now.**
- ➤ Enter the information needed. Include your personal information and member ID number. Create your user name and password.
- ➤ Click **Register now**. You're done!
- ➤ You can set Preferences on the last page.* Or set them later in **My Account** on Express-Scripts.com.
- ➤ Click **Continue**.

1. * Preferences include the option to share your prescription information with other adult members of your household who are:
   - Age 18 and older
   - Covered under your prescription drug plan
2. Adults (age 18 and older) in the household need to register on their own.
3. You can consent to share your prescription information with other registered household members. They can view your information, place orders for you and more.

You can get the Express Scripts mobile app for iPhone®, Android™, Windows Phone® and Blackberry® mobile devices.
