Anthem HealthKeepers Plus Offered by HealthKeepers, Inc.

Welcome to Commonwealth Coordinated Care Plus! Your Anthem HealthKeepers Plus (Anthem CCC Plus) team is here to help you get the care you need to reach your personal health goals, from medical and behavioral care to long-term services and supports.

Have CCC Plus, but haven't switched to the Anthem CCC Plus plan? Call 1-844-374-9159 (TDD 1-800-817-6608) or go to www.cccplusva.com to choose us.

We're a click or call away

This directory is provided at a regional level. Find the most up-to-date list of the doctors, hospitals and health care professionals in your plan statewide at www.anthem.com/vamedicaid. Or call 1-855-323-4687 (TTY 711) Monday through Friday from 8 a.m. to 8 p.m. Eastern time to get help finding a doctor.

Care you need, close to home

We work with many doctors, hospitals and specialists across Virginia, so you can find a local doctor in your plan and get the care you need. You'll also get a care coordinator to give you individual support in finding doctors and care. With lots of different kinds of providers to choose from nearby, it's easy for you to get your benefits and services, like these:

- Long-term services and supports
- Prescription and over-the-counter drugs
- Rides to doctor visits or other medical appointments
- Home health or nursing facility services if you live in one
- Visits to the eye doctor
- Behavioral health services
- Early and Periodic Screening, Diagnosis and Treatment (EPSDT)

Plus, you get extra benefits, too:

- Dental checkups and cleanings for adults
- \$100 for eyeglasses every year for adults
- Hearing exams, hearing aids for adults (prior approval required) and hearing aid batteries in common sizes
- Rides to health and wellness activities
- \$50 worth of assistive devices and \$50 worth of walker/wheelchair accessories mailed right to your door
- Smartphone with monthly data, minutes and texts
- Community resource link – search online for jobs, food, housing and more
- HEPA-grade air purifier (prior approval required)

If you get services through any of the Developmental Disability (DD) waivers, you'll get your regular care, like doctor visits and prescriptions, from CCC Plus.

If you have Medicare, too

We'll coordinate with both your Medicaid and Medicare plans. You'll get benefits like doctor visits, hospitalizations, behavioral health and prescriptions from Medicare. If you need long-term services and supports, you'll get them from us.

Choose a primary care provider (PCP)

Finding a doctor who fits you and your needs is easy. Just pick one listed in this book. Your PCP can be any of these kinds of providers who are in your health plan:

- Family doctor
- OB/GYN
- Specialist who gives primary care

Your PCP will get to know you and your health history. He or she will be your first stop for all your regular care needs.

If you have both Medicare and Medicaid, you'll choose a PCP from your Medicare plan. Just let us know who you choose and we'll coordinate with your Medicare PCP.

Can't find your current PCP listed here? Call 1-855-323-4687 (TTY 711). We add new doctors to our plan every day.

You can change PCPs within your health plan any time. To change or choose your PCP:

- Go to www.anthem.com/vamedicaid and login to your secure account.
- Call Member Services at 1-855-323-4687 (TTY 711).

Get help with long-term services and supports

If you need extra support for day-to-day activities, whether you live at home or in a nursing facility, we have services to help you. One of our care coordinators will talk with you, your doctors and your support system about your health. This will help us understand your needs. Once your care coordinator assesses your needs, he or she will help you get the long-term services and supports you may need, including:

- Personal assistance services
- Assisted living
- Adult day health care
- Respite care so family and caregivers can take a break
- Rides to doctor visits or the drugstore

Your care coordinator will see you regularly to make sure your care plan is working in a way that fits your needs. To learn more about long-term services and supports, look in your member handbook or call your care coordinator.

Get behavioral health services

If you need mental health or substance abuse services, either you, a family member or your PCP can learn more by:

- Calling the mental health toll-free number on the back of your member ID card.

- Making an appointment with a doctor.

Call toll free for translation or oral interpretation at no cost/
