Welcome to your Anthem HealthKeepers Plus Commonwealth Coordinated Care Plus (Anthem CCC Plus) plan.

We're glad you're our member. This booklet will help you learn how to use your health plan for your Commonwealth Coordinated Care Plus (CCC Plus) benefits and services. Be sure to go online to anthem.com/vamedicaid to view the interactive version of this booklet, with links and features to take you where you need to go. You can also find out more details about your benefits and read your member handbook.

CCC Plus is a Medicaid only plan and is a Commonwealth of Virginia health program. If you have Medicare, your Medicare plan will not be impacted or changed.

For Medicare questions, call 855-548-2647.

Getting started

- Look for your Anthem CCC Plus member ID card in the mail. You'll use it to go to the doctor, get prescriptions and in case of an emergency.
- Go to anthem.com/vamedicaid to register for your secure online account, find doctors in our plan and read your member handbook. We can send you a copy of your member handbook by mail free of charge.
- Complete your **health screener**. It's a short questionnaire that helps us determine how we can best get you the care you need.

Carry all of your ID cards with you

If you have Medicare, be sure to carry your Medicare ID card, too. That's the card you'll use for doctor and hospital visits. Your CCC Plus ID card will be used for the benefits your Medicare plan doesn't cover.

Going to the doctor

Your primary care provider (PCP) is listed on your ID card. This is your main doctor who will help you get regular medical care. Remember to set up a visit soon after signing up with us. To find, choose or change your PCP:

- Go online to anthem.com/vamedicaid and use our **Find a Doctor** tool or provider directory to find doctors and specialists near you.
- Call us at **855-323-4687 (TTY 711)**.

If you have Medicare, you'll choose your PCP from your Medicare plan. Your PCP will appear on your Medicare ID card. Be sure to let us know who you choose so we can coordinate with your Medicare doctors.

Tell us about your health

As a new member, your care coordinator will help you fill out a **health assessment**. It's a questionnaire that will help us connect you to care and doctors that fit your needs.

Your care coordinator

As a new member, you'll be assigned a care coordinator to work with you to help you get care and services you need. Your care coordinator will:

Offer support and resources to help you get the care you need.

Help you get prescriptions filled and order over-the-counter drugs.

Schedule doctor visits and help you get a ride there.

Design a care plan just for you and update it if your needs or preferences change.

Have questions? We're a call away.

Can't get in touch with your care coordinator or have questions after hours? Just call us at **855-323-4687 (TTY 711)**, and select option 4 to connect to the 24/7 Care Coordination Line.

Care coordinator name: _____

Care coordinator phone number: _____

Your medicines

You get covered over-the-counter and prescription drugs at no cost, you'll just need to use pharmacies in our plan. The Preferred Drug List (PDL) is a list of drugs doctors use to prescribe your medicines. If you need a drug that is not on our PDL, it may be on our formulary — the list of all the drugs we will pay for. You may need to get prior approval from us for some drugs.

To find out if a drug is on our PDL or formulary:

Visit mss.anthem.com/va/benefits/pharmacy-benefits.

Call Pharmacy Member Services at **833-235-2027 (TTY 711)**.

To find drug stores in our plan, use our [Find a Doctor](#) tool. For more information, be sure to read your member handbook.

Getting care

Know where to go: emergency room versus urgent care

Urgent care	Emergency room
Used to treat situations that aren't life-threatening	Used for true medical emergencies
Doctors and nurses usually have access to X-rays and labs onsite	Handle trauma, X-rays, surgical procedures and other life-threatening situations
Most are open late at night, on weekends, holidays — and without the long wait of the ER	Open 24/7, but often with long waits depending on medical priority
Visit an urgent care for: <ul style="list-style-type: none"> • Throwing up, diarrhea and stomach pain • Minor burns and cuts • Flu and cold • Coughs and sore throat 	Call 911 or go to the nearest hospital emergency room (ER) for: <ul style="list-style-type: none"> • Chest pain • Trouble breathing • Severe bleeding • Bad burns • Loss of consciousness

Talk to a nurse 24 hours a day, seven days a week, even on holidays.

If you're not sure if you're having an emergency, call the 24/7 NurseLine at **855-323-4687 (TTY 711)**. The nurse will help answer your questions and get you the care you need.

Go online to **anthem.com/vamedicaid** and use our **Find a Doctor** tool to find urgent care centers we work with. Knowing where to go is important.

Programs and benefits

With us, you get all your regular benefits, plus some extras. For a full list of your benefits, be sure to check your member handbook or go online to [anthem.com/vamedicaid](https://www.anthem.com/vamedicaid).

If you get services from any of the **Developmental Disability waivers**, you'll get regular care like prescriptions and checkups with us and your long-term services and supports through the state-supported waiver system.

Medicare and Medicaid

If you have Medicare and Medicaid, we'll coordinate with your Medicare plan to make sure you get all the services you need. You'll get benefits like doctor visits, prescription drugs and hospital care from your Medicare plan. If you need home and community-based services, you'll get them from us.

You can choose the same health plan for Medicare and Medicaid. When you have the same plan for all of your health needs, your benefits work together smoothly.

For more Medicare questions, call 855-548-2647.

We can help you get to the doctor.

We contract with Access2Care (A2C) for all of our transportation benefits. Just give them a call at **855-325-7581 (TTY 711)** if you have any questions about transportation.

For more information, be sure to look in your member handbook or visit www.anthem.com/vamedicaid and go to the **Schedule a ride** page.

Get a ride with us.

We offer no-cost transportation to:

- Medical and dental appointments.
- The drugstore to pick up medication.

Medical rides are available anytime.

As an extra benefit, we also offer nonmedical rides.

We'll get you to health and wellness activities like:

- Places of worship
- Libraries
- Grocery stores
- DMV

Nonmedical rides are available seven days a week from 8 a.m. to 5 p.m. You qualify for 12 round trips* annually or three every three months.

How to set up your ride

1. To set up your ride, call A2C at least two business days in advance. Remember to write down your confirmation number in case you need to refer to it. If you need an urgent ride the day you're calling, let A2C know. They'll verify your appointment, and we'll work with you to get you where you need to go.
2. Let them know if you have any special transportation needs.
3. Go ahead and schedule a return trip if you know when your appointment will be over. They will pick you up within 30 minutes, but be ready 15 minutes early for your ride. If you don't know how long your appointment will last, just call A2C when it's over.

**A round trip is classified as one pickup and one drop-off not exceeding more than 30 miles round trip for urban locations and 60 miles for rural areas.*

Call A2C if:

1. You want to set up a ride.
2. Your appointment is cancelled or rescheduled.
3. Your ride is late or you have a complaint.
4. You want to drive yourself and get approval for gas reimbursement.
