

Updates to nonemergency medical transportation (NEMT) benefits:

On November 1, 2021, Veyo will replace MTM, Inc. as the new vendor for nonemergency medical transportation (NEMT) benefits. Wisconsin Medicaid members can still get rides, bus tickets, or money for gas with Veyo. Members will call the same number to schedule a ride. Members can also schedule a ride online.

To schedule a ride or learn more, call **866-907-1493** or visit the website at **wi.ridewithveyo.com**.
